USA PATRIOT Act – Customer Identification Program Notice

Under the **USA PATRIOT Act**, federal law requires all financial institutions to help the government fight the funding of terrorism and money laundering activities. As part of these requirements, financial institutions must obtain, verify, and record information that identifies each person who opens an account.

What This Means for You

When you open an account with **First Interstate Bank**, we will ask for your **name**, **physical address**, **date of birth**, and other information that allows us to identify you. We will also ask to see your **driver's license or other picture identification** to verify your identity, consistent with federal verification requirements.

Our Commitment to You

First Interstate Bank is committed to protecting your personal information and to complying fully with the USA PATRIOT Act and all customer identification requirements designed to safeguard the financial system.
